Sauna - a way to health and beauty
Sauna - a way to relax*

Quality Sauna Heaters & Accessories from Steamers India now.
"the heart of a successful sauna"

SAUNA HEATERS & CONTROL PANELS

In today's fast paced, hectic lifestyle, after a hard day in the office or after a stress filled drive home, relax, soothe away the tension, reduce the aches and pains in a hot sauna. Feel the heat warming your body & during muscle tension and all the troubles just float away. Sauna heat is also proven to weight loss and its medical properties for rheumatism, arthritis and muscular pains are widely accepted.

Steamers India have all the heaters and accessories that you would need to make your sauna a very special and relaxing place to be, so just sit back and enjoy.

For a successful sauna you need a proven heater, all Steamers India sauna heaters are the best, top quality, value for money units you can buy.

Steamers India heaters come in two versions, with controls built-in as part of the heater for domestic use only and heaters requiring separate controls mounted outside the sauna usually used commercially but can be used domestically especially useful if the benches come to close to the heater preventing access to the controls.

Sauna Heater - Domestic
Available from 3-6kW are suitable for rooms up to 15 cubic metres volume, and can be wired single or three phase via a suitable rated RCCB. The controls come fitted on the front face of the stove but can be moved to the left or right hand side without additional parts being required. The deep stone tray allows for good heat output and distribution around the sauna.
(Codes: 3kW SI-H30, 4.5kW SI-H45, 6kW SI-H60 & 9kW SI-H90)

Sauna Heaters - Commercial
Available from 9-18kW output these will suit saunas

SAUNA HEATER SPECIFICATIONS

Commercial Sauna Heaters

SAUNA ACCESSORIES

Control Panels
For saunas without built-in controls, a control panel is required. All control panels feature a splash proof housing, a heater on indicator light, adjustable sauna light switch with indicator and time function 1 to 6 minutes, thermostat, hour-protection time and 1 to 4 hour operating time. The three phase control panel has all the features of the single phase and is suitable for commercial or large domestic applications. Use SMARTF-05 on 3 phase stoves up to 18.0kW heating.
SMARTF-05.3 phase control panels for use of 3kW and up to 18.0kW heating applications. Use

Sauna Thermometer
Aid way of knowing your sauna's internal temperature. Leds approximately 30 minutes.

Sauna Pails & Ladles

Why not complete your sauna with quality accessories? Steamers India have both wooden and copper pails that would be ideal in any sauna. The wooden pail comes complete with a line and glove your sauna is made to be. The ladle is for carrying water onto the heater stones and comes in both wood or copper.

Heater / Wall Guards
The heater / wall guard prevents accidental contact with the hot stove and is available as a 2 or 3 sided guard. The guard can be mounted against one wall or go totally around the stove. For large stoves a floor mounted version is required.

Head Rest
Relax in comfort with the wooden headrests that are designed to give superb support.

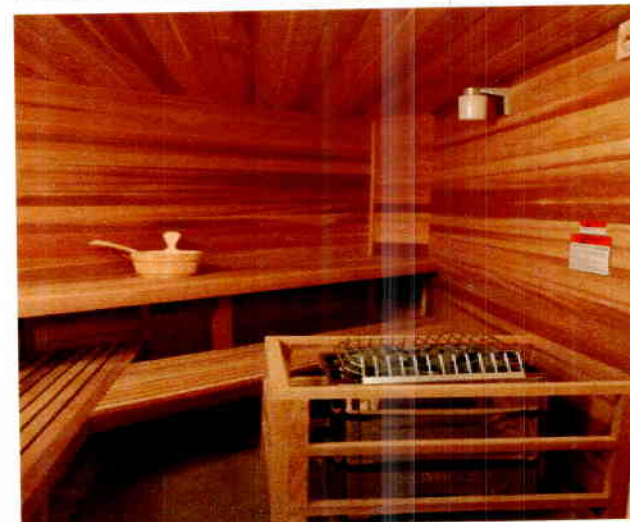

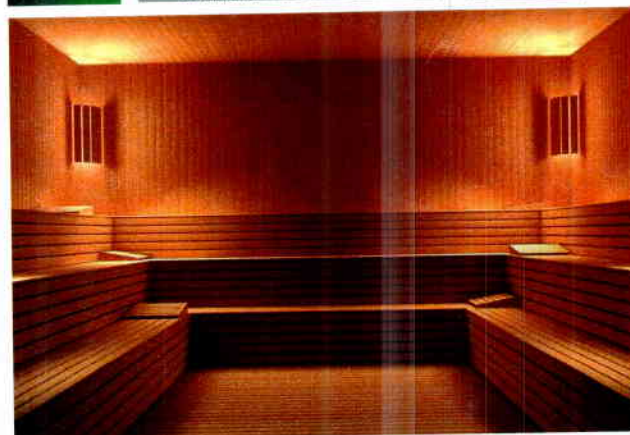

Sauna Wall Panel & Ceiling Lighting
Steamers India offer both wall and ceiling lights which are suitable for all saunas. For the sauna wall light use 240 volt 25W bulb.

Sauna Door & Frames

Measuring 175cm high x 70cm wide the wooden door comes complete with the frame and is suitable for all saunas.

An alternative to the wooden door above, Steamers India can offer a coloured safety glass door complete with frame, glass is supplied with an outside for both commercial and domestic saunas.
