Dog – license for Pet Dogs:

It is compulsory to obtain license for pet dogs issued by Municipal Corporation authority under the section 14, rule number 22(a) sub-clause 386 under Maharashtra Municipal Provincial Act.

Following documents are required to obtain license:

1. Residential proof
2. passport size photo of a dog 3 copies (latest)
3. Photostat copy of vaccination card (vaccinated duly against Rabies disease)
4. Fees applicable is Rs. 75/- for new and Rs. 50/- for renewal of license. Fine Rs. 10/- applicable in late cases.

Where Photostat copy of vaccination card should indicate full name of owner , address and cell / contact number, name of the Doctor or organization / clinic of Doctor vaccinated the Pet animals.

Also details of the vaccine like date of vaccination, name of vaccine , batch no. & expiry date of vaccine and due date for same vaccination should be indicated.

Vaccination against Rabies is pre-requisite to obtain dog-license which is in interest of Public and animal Health.

Dog – license for Pet animals will be issued maximum within 6 working days after acceptance of proper documents and necessary fees applicable.

Dog- Badge is not issued along with License . Photo of pet animal is attached on license , vaccination card and one photo retained with office as office copy.

In future it is proposed to inject a micro-chip in animal's body so as to maintain details of animal as a permanent record.
